The Executive Director reviewed the results and informed the Board that the total number of registered voters was 438,372 and the total number of ballots cast was 99,694 or 22.74%. The declared winner was Bill Foster and he received 52,205 votes or 52.53%. Member Keith moved to certify the results of the March 8, 208 Special General Election. Member Smart seconded the motion which passed by roll call vote of 8-0.

Vice Chairman Schneider asked if there was any other business to be discussed. The Executive Director indicated that an e-mail was previously sent to the Board of the agency's intent to apply for the Election Assistance Commission Data Collection Grant. The grant would be used to

MINUTES

PRESENT:	Albert S. Porter, Chairman Bryan A. Schneider, Vice Chairman Patrick A. Brady, Member John R. Keith, Member William M. McGuffage, Member Wanda L. Rednour, Member Jesse R. Smart, Member Robert J. Walters, Member
ALSO PRESENT:	Daniel W. White, Executive Director Steve Sandvoss, General Counsel Darlene Gervase, Administrative Specialist II

Chairman Porter called the meeting to order at 10:35 a.m. and led everyone in the pledge of allegiance. Member Smart held Member Walters' proxy until his arrival at 12:10 p.m.

Vice Chairman Schneider moved to recess to the State Officers Electoral Board at 10:36 a.m. Member Smart seconded the motion which passed unanimously. The meeting of the State Board of Elections resumed at 10:53 a.m.

Executive Director White presented the minutes of the March 7 regular and March 13 special meetings. Member Brady suggested a change on the last line of page 4 to change the word "from" to "for." The sentence would read: "The committee is a pass through or a conduit for contributions to candidates and does not keep any of the money." Vice Chairman Schneider moved to adopt the minutes with Member Brady's suggested change and Member Keith seconded the motion. The motion passed unanimously by roll call vote.

The Executive Director indicated that the Springfield office was telephonically connected and available for staff that could not be present in Chicago. Further, that an amended agenda, including Electoral Board matters, a motion regarding Citizens of Judy Barr-Topinka, and a report regarding Populex was sent under separate cover and that additional copies were available.

Mr. White began his report with consideration of the competitive grant application to the U.S. Election Assistance Commission for the Election Data Collection Grant program. Congress awarded 5 grants in the amount of $2million. This competitive grant program is designed to develop and document administrative and procedural best practices that can be replicated by other states to improve processes to collect accurate and complete data and document specific administrative and management data collection practices. The application was published in the U.S. Federal Register on March 27 and is due by April 28. An SBE committee, consisting of Steve Sturm, Steve Flowers, Mark Mossman, Mike Roate and Kyle Thomas has been established to complete this lengthy application. The Director indicated that the funds would be spent before the November election. A few of the issues discussed by the Board was to ensure costs paid with state funds, that should have been paid with federal funds were identified; and allocation of the funds and spending authority was addressed by the legislature. It was agreed to proceed quickly with the application as receiving this grant would be a bonus. Vice Chairman Schneider moved to authorize the staff to submit the application for the EAC Election Data Collection Grant. Member Brady seconded the motion which passed by 8-0 roll call vote.

Dianne Felts, Director of Voting Systems and Standards, was introduced to offer a report on Populex. She introduced Mr. Morganstein of Populex; Sangamon County Clerk, Joe Aiello; and Stacey Kern and Kim Rockford of the Sangamon County Election Staff. Chairman Porter asked if the 7 points in Ms. Felts report could be discussed by the parties and a report given to the Board at the end of the agenda. Mrs. Felts, Messrs. Morganstein and Aiello and Misses Kern and Rockford agreed and this matter was continued until the end of the meeting.

Mr. White indicated that the Report on Legislation begins on page 20 and as the board knows we are well into the spring session with approximately 6 weeks to go. There have been a number of interesting issues in the written materials of the SBE, materials and a status update on all pending legislation and at the request of Mr. McGuffage a report on HB5003 which addresses improper petition objection filings. He introduced Cris Cray, Legislative Liaison, who was present in the Springfield office via telephone and asked her to give a legislative update. Ms. Cray indicated that hot topics in the General Assembly are straight party ticket voting; the constitutional convention question; recall; and ethics. She confirmed that she spoke with all 4 appropriations chiefs who were in agreement that whether we get the grant or not, they would add the language to the budget. Member McGuffage opined that the HB5003 is a good piece of legislation and asked the Board to support it. Further, that it would deter vexatious and harassing objections if they were verified by an attorney. Member McGuffage asked about his perennial bill, the campaign finance bill and Ms. Cray indicated that the bill was still in house rules. Having nothing further on legislation, Ms. Cray said she would report back to the Board with any updates. Member McGuffage moved to support House Bill 5003 and asked Ms. Cray to indicate that support to the appropriate people. Member Rednour seconded the motion which passed unanimously.

The Executive Director offered an update of the Statewide Advisory Petition which included important dates. He indicated that the proponents of the Project Marriage Illinois (PMI) petition were contacted to find out if the petition will be filed on May 5, six months before the November 4 General Election. He asked Eric Donnewald, Director of Election Training and Resource Development, for his comments. Mr. Donnewald indicated that the software will be ready to process the signature data sheets and 12 temporary technicians will be utilized and SBE staff will perform the conformity check during the 2nd week of May. He said that he contacted PMI that morning and they are non committal whether it will be filed May 5th. Further, that this is the only constitutional amendment that might be filed.

Mr. White presented the Board's FY09 meeting schedule for the Board's consideration. The statutory deadline for proclamation of results of the November General Election and changing the November and/or December meetings were considered. Mark Mossman, Election Information Director commented that the amount of work involved in the canvass is increased if the clerks don't send their canvass timely. Of particular concern were judges, as they take office on the first Monday of December following their election prior to the 31 days canvassing date and Judges must be proclaimed before that date. Mr. Keith asked if it would be possible to limit the scope of work to where the judges ran in contested races. Mr. Mossman indicated that it is hard to separate them as they aren't always broken down by precinct results and is already a very labor intensive canvass, but he said that he will attend the Illinois Association of County Officials Conference on April 29th and will raise this issue with the election authorities. Vice Chairman Schneider suggested a meeting very early on December 1, 2008. General Counsel Sandvoss read from 1A-19 confirming that the judicial election results must be proclaimed before December 1st. Chairman Porter indicated that this will be a difficult matter to solve, but there is time to find a resolution. He asked that everyone think about the problem and revisit it at the May meeting. Member Keith moved to adopt the Board schedule for FY09, and the Board could take a look at it and offer changes and suggestions at the next meeting. Vice Chairman Schneider seconded the motion which passed by 8 yeas in unison and none opposed.

Mr. White concluded his report with informational fiscal status reports and the two year plan of staff activity for the months of April and May. He indicated that spending is well within established limits, but will continue to monitor spending particularly if the statewide petition is filed because that will cause additional staffing, temporary help, etc.

General Counsel, Steve Sandvoss, began his report with the Consideration of a Motion by Counsel for the Citizens for Judy Baar Topinka Committee, relating to assessed civil penalty. Mr. Richard Means, attorney for the committee was introduced and offered comments. Member Smart moved to vacate the January 17, 2007 final order and accept a 10% settlement offer. Member Brady seconded the motion which passed 6-2 with Member Keith and Chairman Porter voting no.

Mr. Sandvoss presented six new appeals of campaign disclosure fines wherein the hearing officer recommended the appeals be granted and confirmed that he agreed with the hearing officer. Member Smart moved to grant the appeals in *SBE v. Dodge for Trustee*, L7585, 08DS022; *SBE v. Citizens to Elect Mark Stricklin*, L10843, 08DS040; *SBE v. Grafton Township Republican Central Committee*, L12388, 08DS056; *SBE v. Committee to Elect Jim MacRunnels*, L14376, 08DS110; *ISBE v. Kankakee Federation of Labor AFL-CIO COPE*, S5607, 07JS101; and *ISBE v. Niles township Democratic Organization*, S9194, 07AE052. Member Keith seconded the motion which passed unanimously by roll call vote.

Mr. Sandvoss presented the withdrawal of appeal in #11, *SBE v. Cunningham for County Clerk*, L10813, 08DS039 and indicated that the fine had been paid. Member Keith moved and Member Rednour seconded a motion to accept the withdrawal. The motion passed by 8 ayes in unison and none opposed.

The General Counsel concurred with new appeals of campaign disclosure fines wherein the hearing officer recommended the appeals be denied. Items 11, 14, 18, 20, 24, 25 and 27 were considered separately. Member Smart moved and Member Rednour seconded a motion to deny the appeals with the exception of the aforementioned items. The motion passed unanimously. Appeals were denied in: *ISBE v. Schaumburg United Party*, IL723, 08DS001; *SBE v. Friends of Pat Morris*, L1348, 08DS005; *SBE v. Lincoln Republican Club of Bureau County*, L10785, 08DS038; *SBE v. Southern Will County Republican Org.*, L11911, 08DS051; *SBE v. Sugar Grove Library Friends PAC*, L13186, 08DS071; *SBE v. Friends of Steven Carlson*, L13619, 08DS084; *SBE v. Citizens to Elect Wayne Horne*, L14001, 08DS096; *SBE v. Cary Area Citizens for Responsible Government*, L14223, 08DS104; *SBE v. Northern IL Homebuilders Association PAC*, S2787, 08DS138; *SBE v. 5th District Ward PAC*, S6360, 08DS155; *SBE v. Henry County Republican Central Committee*, S6935, 08DS162; *SBE v. The Fifth District Precinct Fund*, S71115, 08DS164; and *SBE v. Citizens for Andre B. Ashmore*, S8807, 08DS197.

The Chairman called item #14, *SBE v. Friends of Robert W. Fejt*, L13202, 08DS072, and recognized the appearance of Robert Fejt appearing *pro se*. The Hearing Officer recommended that the appeal be denied for lack of an adequate defense and the stay be lifted from the previously assessed penalty resulting in a total penalty of $1675 due and owing. The General Counsel concurred with the recommendation. Discussion ensued among the Board. Member Smart moved to grant the appeal and the $1625 penalty would be stayed. Member Rednour seconded the motion which passed 7-1 with Member Keith dissenting.

Mr. Sandvoss explained that Item 18) *SBE v. Bremen Township Regular Democratic Organization*, S742, 08DS125 had been inadvertently removed from the agenda and packet and that John D. Lord was present and asked that the matter be heard. Mr. Brady noted that although the respondent was aware of the hearing, proper notice was not given to others who might be interested in the proceedings. Mr. Borgsmiller confirmed that notice that the matter would be placed on the agenda was mailed and received by the respondent. Vice Chairman Schneider moved to continue this matter to the June 9 meeting. Member Rednour seconded the motion which passed unanimously by 8 ayes in unison and none opposed.

The Chairman called Ms. Virginia L. Reyes and Mr. Gilbert C. Delago, Respondents in 20) *SBE v. Hispanic Democratic Organization*, S5775, 08DS243. Mr. Sandvoss summarized the activities of the committee and agreed with the Hearing Officer's recommendation to deny the appeal for lack of an adequate defense and lift the previously assessed penalty resulting in an $1100 penalty that is now due and owing. After discussion, Member Keith moved and Vice Chairman Schneider seconded a motion to adopt the recommendation of the hearing officer and general counsel and deny the appeal. The motion passed 8-0 by roll call vote.

SBE v. Workship Coalition, Inc. S7835, 08DS173 was called and Mr. Calvin "Omar" Johnson, Chairman, was present. After Mr. Johnson responded to the complaint, Chairman Porter recognized that it is not a political committee and did not have to file their reports with the SBE as it is an activist group in the neighborhood who lobbies for contract and jobs. Member Smart moved to grant the appeal and take the steps necessary o dissolve the committee. Member McGuffage seconded the motion which passed unanimously. The motion passed by 7-1 vote with Member Keith voting no.

Chairman Porter called #25, *SBE v. Chicago Latino 100*, S8634, 08DS192. The Respondent indicated they were a small organization of business men and women who discuss politics and candidates and support candidates. The General Counsel agreed with the Hearing Officer that due to the continued filing delinquency of this committee, the appeal be denied and the total assessed fine of $5,900 be due and owing. Member Keith moved to deny the appeal and adopt the recommendation of the Hearing Officer and General Counsel. Vice Chairman Schneider seconded the motion which passed unanimously.

The Chairman called Amy Anderson Day in the matter of #27, *Women Who Win*, S9280, 08DS212 and indicated that the Hearing Officer recommends and the General Counsel concurs that the appeal be denied for lack of adequate defense, but as a first violation the penalty is stayed. Ms. Day had no comment. Member Keith moved to adopt the recommendations of the Hearing Officer and General Counsel and deny the appeal, but stay the penalty as a first offense. Vice Chairman Schneider seconded the motion which passed unanimously by 8 ayes in unison and none opposed.

General Counsel Sandvoss returned to item 3A1 of his report, *SBE v. Friends of Don Patterson*, L13749, 07CD101, consideration of a civil penalty assessment for failure to comply with a Board Order. Mr. Sandvoss indicated that a Final Order of the Board ordering the committee to file the June 2007 Semi-annual report within 30 days of the effective date of this Order; that failure to file would result in the imposition of a civil penalty not to exceed $5,000.00; the effective date is March 7, 2008; and that the Final Order is subject to review under the Administrative Review Law and Section 9-22 of the Election Code. He confirmed that as of today, they have not complied with the Final Order and at this time, the Board may consider whether to issue a civil penalty and how much to assess. He recommended $5,000 as this committee has ignored every order the Board has issued with no indication. No one appeared for the Respondent. Member Smart moved to assess a penalty of $5,000.00. Member Rednour seconded the motion which passed unanimously by roll call vote.

The General Counsel's report continued with a request for payment plan for the Friends of Judy Stearns. The candidate requested a payment plan of 12 payments on the $4,314.00 fine and enclosed the first payment. Vice Chairman Schneider moved to accept the 12 installment payment plan. Member Brady seconded the motion which passed unanimously by 8 ayes in unison and none opposed.

Director of Campaign Disclosure, Rupert Borgsmiller, explained the changes regarding assessment and fines posted on the SBE Campaign Disclosure Website. Member Rednour moved to adopt the changes and Member Smart seconded the motion. The motion passed by 8 ayes in unison and none opposed.

Civil penalty assessments requiring a final board order were presented by the General Counsel. Vice Chairman Schneider moved and Member Rednour seconded a motion to issue final orders imposing penalties on pages 202 through 207 with the exception of Stephanie Neely on page 202. The motion passed 8-0. Member Keith recused himself on L2890, Committee to Re-Elect William Billy Earl and Friends of Judy Yeager, L6293.

The General Counsel submitted payment of civil penalties for informational purposes.

SBE v. Citizens for Honest Government, 07CD083; *SBE v. Citizens for Bilotta*, 07CD092; and *SBE v. Salamanca for* Change, 07CD100, Complaints following public hearing, were next on the agenda. The General Counsel concurred with the recommendation of the Hearing Officer. Member Keith moved to adopt the recommendations of the Hearing Officer and General Counsel that reports were filed, and in compliance with relevant Statutes and Board Rules refer these matters to Campaign Disclosure staff for appropriate penalty assessment. Member Smart seconded the motion which passed unanimously 8-0. Member Keith moved that the Citizens for Bilotta have one outstanding report to be filed. Member Smart seconded the motion which passed unanimously by 8 ayes in unison and none opposed.

At this time, the Chairman returned to item 2.b. Report on Populex. Ms. Felts indicated that they did not come to a decision and asked that the matter be continued to the June board meeting. When asked how many of the points were discussed, Ms. Felts answered that they were stalled on number 1. All parties verbally agreed to move this matter to the May meeting in Springfield. Member McGuffage moved to continue the report to the May meeting. Member Rednour seconded the motion which passed 7-0-1. Member Brady voted present.

The board took a break at 12:56 p.m. and returned to session at 1:08 p.m.

Use of Obituaries to Remove Deceased Voters from Voter Registration Rolls was considered. Suggestions were made to change par.5 by removing the words "throughout the community" and replacing it with "in the county"; and on the second to the last line to remove "official" and insert "licensed funeral director." Member Keith moved to adopt the rule with the changes. Member Brady seconded the motion which passed by unanimous roll call vote.

Mr. Sandvoss summarized Act Blue Illinois and similarly situated committees and the results of gathering information from other states. He requested that the matter be continued to May. Member Keith moved to move the matter to the May meeting and request the General Counsel offer a proposed rule and accept limited comment at that time. Vice Chairman Schneider seconded the motion which passed 8-0.

The Chairman asked if there was other business. Member Brady asked Mr. Borgsmiller about the challenge to the Terry Link campaign wherein circulators were paid to circulate Sen. Link's nominating petitions. He replied that one gentleman, Pete Couvall, admitted that he was paid $2500 from Sen. Link's committee and he in turn paid people to circulate Sen. Link's petitions, but that it has been listed and reported. Mr. Borgsmiller stated that the $2,500 was reported by Sen. Link's committee and as far as the SBE campaign disclosure staff was concerned the matter is closed. Member Brady asked whether Mr. Couvall's use of personal funds to pay circulators to do the work on behalf of Sen. Link's committee was an in-kind contribution, albeit a second or third generation contribution. He questioned why it was not further followed up. Mr. Borgsmiller didn't think that the campaign disclosure division has ever considered such expenditures as being an in-kind contribution. Member Brady asked if his position would change if Mr. Couvall spent $5,000 on circulators and only received $2,500 from Sen. Link's committee. Member Brady felt it was an elaborate way to avoid disclosure. Vice Chairman Schneider suggested that Mr. Borgsmiller prepare a report for the next meeting and directed staff to submit it for the next board meeting.

Vice Chairman Schneider moved to recess to Executive Session for the consideration of complaints following closed preliminary hearing, pending litigation and personnel matters. Member Rednour seconded the motion which passed unanimously.

The Board retired to executive session at 1:48 p.m. and returned to open session at 3:30 p.m.

Member Keith moved to resolve the claim brought by McHenry County as discussed in executive session. Vice Chairman Schneider seconded the motion which passed unanimously by roll call vote.

In regards to item 35, *Stern v. The New Wheaton Central Foundation*, 08CD001, Vice Chairman Schneider moved to find the complaint was filed on justifiable grounds, however no public hearing as the filings have been filed. Member Keith seconded the motion which passed unanimously by 8 ayes in unison and none opposed.

In regards to item 36, *Illinois Campaign for Political Reform v. Committee for Ed Smith*, 08CD003, Vice Chairman moved to find that the complaint was filed on justifiable grounds and no public hearing be ordered because the filings have been amended. Member Keith seconded the motion which passed by 8 ayes in unison and none opposed.

Member Keith moved to authorize the Executive Director to begin a search for an Assistant Executive Director and report back to the Board in May. Vice Chairman Schneider seconded the motion which passed unanimously by 8 ayes in unison and none opposed.

There being no further business before the Board, Member Keith moved to adjourn subject to the call of the Chair or May 19, 2008 at 10:30 a.m. in the Springfield office.

RE: Case # 07 MA 032

Dear Chairman Porter,

In reference to case #07 MA 032 which refers to a Final Order issuing total fines to the campaign committee of Citizens for Bilotta of $11,100, I am asking that the Board of Elections to please reconsider the fine amounts.

Over the past year I have taken on way more than I should by having three jobs to try and make ends meet for my family as well as trying to continue being an effective representative to my constituents. Being a good representative takes a tremendous amount of time, more than I ever imagined. I try very hard to be a good elected official yet that also consumes any time left. Over that time I have been neglectful in my responsibilities in filing my disclosures with the State Board of Elections in a timely fashion and I humbly apologize for this. I am current with all my filings with the help of Andy Nauman in your Chicago office, he is very helpful. Since all this has happened I have asked my accountant to help me with this to insure that this NEVER happens in the future, I should have done this years ago.

I am asking the Board to please reconsider the total fine amount assessed on my committee. The fine amount will completely deplete my efforts to be able to continue serving as a good representative to my constituents. Fundraising is by far the only thing I hate about public office. I realize and am willing to pay a fine since I did this to myself, yet please reconsider the amount to something that is more manageable. I will not put either of us in this situation again.

Thank you for your consideration with this request of reconsidering the fine amount. If you have any questions please feel free to call me at 815-955-4310.

Sincerely,

James Bilotta

THE BOARD FINDS

2. In case number 07 MA 032, a $1800.00 civil penalty was assessed against the Respondent for the delinquent filing of the December 2007 Semi-annual report; and

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing
The 2007 December Semi-Annual Report

The Report was received on January 31, 2008, 7 days late, resulting in a civil penalty assessment of $350.

Gary Craig, Sr., the Chairman of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Craig stated that the person inputting the report thought he filed the report when he clicked on the 'File Report" icon. He forgot to click on the "Upload Report" icon. Once he realized his mistake, he called Jason Hinds to correct the report.

The report in question is the Committee's first electronically filed report in addition to being its first filed report; the Committee created in August of 2007. Since this was the Committee's first attempt at electronic filing, and, in order to be consistent with previous Board rulings when an electronic filing issue is presented as a defense, I recommend that the appeal be granted. Now that the Committee is aware of what is required to file electronically, I do not believe the Board would look favorably upon the use of this defense a second time.

Dear Committee to Elect Gary Craig Sr;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contributions and Expenditures
Report Period:	July 1, 2007 through December 31, 2007
Filing Period:	January 2, 2008 through January 22, 2008

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on January 31, 2008, 7 day(s) late. As such, this committee has been assessed a fine of $350.00.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

Since this is a first time violation, the assessed civil penalty will be *stayed*. Any subsequent violation of any provision of Article 9 of the Election Code or of a Board Order shall result in the assessment of an additional penalty as provided in Section 125.425 of the Rules and Regulations governing the State Board of Elections, with that civil penalty and any previously assessed penalty to be paid within 30 days. Therefore, you need not pay this assessed civil penalty unless another violation occurs.

If you have questions regarding the appeal process, please call Sue McArthur at 217/782-1543.

Sincerely,

Rupert T. Borgsmiller, Director
Division of Campaign Disclosure

Committee to Elect Judge Marilyn Johnson S 9425

Respondent

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment For Delinquently Filing a Schedule A-1
For the 2008 General Primary Election

This Committee received one contribution on 1/24/08, and delinquently listed it on a Schedule A-1 filed on 1/31/08, 3 days late, resulting in a civil penalty of $23,518.23. The assessed penalty is $23,518.23.

Steven Laduzinsky, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Laduzinsky stated that on January 24, 2008, the Committee to Elect Anne Burke made an in-kind contribution in the amount of $23,518.23 to the Committee. On that same date, the Chairman of the contributing committee mailed via U.S. Mail to the receiving committee a letter and In-kind Contribution Notification Form. On January 31, 2008, the Committee received the notification. The Schedule A-1 was filed January 31, 2008. Mr. Laduzinsky also referenced Rule 2.1(c)(i) of the Rules of the Circuit Court of Cook County regarding the receipt of a notice mailed to a recipient being effective on the fifth court day after the date of mailing. He also stated that it is publicly known that the mail service provided by the U.S. Postal Service in the Chicagoland area may require longer than five days to deliver local mail. The reporting of the in-kind contribution was made within two days of receipt of the notification.

Section 5/9-6(b) of the Campaign Financing Act reads as follows: "*Within 5 business days of contributing goods or services of more than $50 value to a political committee, the contributor shall certify the value of the contribution to the political committee on forms prescribed by the State Board of Elections. The forms shall include the name and address of the contributor, a description, and market value of the goods or services, and the date on which the contribution was made.*" There is no reason to believe that the contributing committee did not comply with this section. A review of the 2007 December Semi-Annual Report filed by the contributing committee showed no large expenditures to the three vendors listed on the in-kind contribution notification form prior to December 31, 2007.

Section 100.120(c) of the Board's Rules and Regulations reads in part: *"...An in-kind contribution of goods or services, possession of which is not actually obtained by the recipient committee, shall be deemed to be received 2 days after the date the certificate required by subsection (a) of this Section is received,..."* The in-kind contribution was described on the report as the 'allocable share of slated judges advertisement.' Mr. Laduzinsky stated in his affidavit that the notification was received 1/31/08; a cursory check of the Schedule A-1 filings of the other judicial recipients indicates that this date was within two days either way of Schedule A-1 filings by the other recipients of this in-kind contribution. Therefore, it is reasonable to assume that the in-kind contribution notifications were mailed at the same time. This Committee reported the receipt date as 1/24/08, because that was what was shown on the in-kind contribution notification form it received from the Committee to Elect Anne M. Burke. According to the above-referenced rule, the receipt date would be 2 days after receipt of the notification, or 2/2/08, and therefore, the Schedule A-1 would still be timely if filed 2 days after this receipt date, or 2/5/08. Even if we question the receipt date of the in-kind contribution notification form, since there is no documentation other than the affidavit to verify that it was received by the committee on 1/31/08, the Schedule A-1 filing on 1/31/08 would be timely even if the notification had been received as early as 1/27/08. Since it was mailed by the contributor no earlier than 1/24/08, it could not have been received prior to 1/27/08. I therefore recommend that the appeal be granted.

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Committee to Elect Anne Burke	1/24/08	$23518.23	$23518.23	1/31/08	3

The committee is fined a **total** of $23518.23 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $2352.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. If your committee has no other civil penalty assessments and only one delinquent Schedule A-1 amount is listed above, the penalty will be ***stayed*** as a first violation and would only become due and owing upon any subsequent delinquent filings by the committee.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

If you have any questions regarding the appeal procedure, please call Sue McArthur at 217/782-1543.

Sincerely,

* This contribution was reported on the December 2007 Semi-annual Report but should have been reported on a Schedule A-1 Report of Campaign Contributions of more than $500.00, within 2 business days of receipt.

** This contribution did not, by itself, necessitate filing of a Schedule A-1. No fine was assessed for this contribution – it is listed for informational purposes only. A subsequent contribution, when aggregated with this contribution, exceeded the "more than $500.00" threshold and was used as the basis for the fine assessment.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment For Delinquently Filing a Schedule A-1
For the 2008 General Primary Election

This Committee received 1 contribution of $1000 on 1/2/08, and listed it on a Schedule A-1 filed on 1/22/08. The assessed penalty is $1000.

Terence O'Neill, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. O'Neill stated that the delayed filing was the first filing for the Committee. They experienced difficulty in getting the web-based software to work properly. It eventually took five separate phone calls to get the A-1 filed. He goes on to state that they should not have to pay this kind of penalty for unfriendly software. On May 2, I contacted Mr. O'Neill to obtain further clarification of the issues he had with the filing software. He stated that he downloaded the software the day he received the contribution. He tried on his own for several days, then the following week contacted staff in the Chicago office. He also spoke with Springfield staff. He had entered the information into the semi-annual report, but could not figure out how to complete and file the Schedule A-1. He made several phone calls for assistance, and also had to download the software a second time. Part of his difficulty apparently was that he had not obtained a filer identification number. When he got the number and after working off and on for several days, he was able to complete the Schedule A-1 and successfully upload it. The campaign was unsuccessful and only about $100 remains of the funds received primarily from Mr. O'Neill and a small group of campaign supporters.

In order to be consistent with previous board recommendations when an electronic filing issue is used as a defense, I recommend that the appeal be granted. The Committee should be aware however that since it has had two successful electronic filings, and since Mr. O'Neill now realizes that a filing may take more time to complete than originally thought, the use of this defense a second time may not be looked upon favorably by the Board.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing
The 2007 December Semi-Annual Report

The Final Report, filed in lieu of the 2007 December Semi-Annual Report, was received on 2/4/08, 9 days late, resulting in a civil penalty assessment of $225.

Patty J. Thiede, the Chairman of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Thiede referenced an attached letter. In the letter she stated that this Committee had not received any receipts in over two years, and, in fact, she had not held the elected office for which the Committee was formed for almost one year. The only activity was to reduce the still outstanding debt that was incurred in the 2001 election which still has over $2500 outstanding. As a single parent of 4 children, these papers got misplaced and she really doesn't have the $225 in the budget as she still has $2500 of outstanding campaign debt and requests a waiver of the fee.

I recommend that the appeal be denied for lack of an adequate defense. As a first violation, the penalty is stayed. In addition, since this Committee has filed a Final Report, I further recommend that during the two year period beginning with the date of the final Board Order, any successor committee shall be considered, for assessment purposes, as not having violated Section 9-10 if it is assessed no other penalty.

Dear Citizens for Patty Thiede;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contributions and Expenditures
Report Period:	July 1, 2007 through December 31, 2007
Filing Period:	January 2, 2008 through January 22, 2008

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on February 4, 2008, 9 day(s) late. As such, this committee has been assessed a fine of $225.00.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing the
December 2007 Semi-Annual Report

The political committee's December 31st, 2007 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on January 25th, 2008, three (3) days late. As such, the political committee has been assessed a fine of $75.00.

Mr. Emmanuel Imoukhuede, Candidate/Treasurer, filed a Request for Hearing and Appeal Affidavit, on March 26th, 2008, indicating "A member of my family was sick; hence the report was submitted immediately the person got better. I have historically filed my report on time".

Hearing in this matter was set for Friday, April 18th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, 14-100, at 9:00 a.m. This hearing was subsequently held via teleconference call on Friday, April 17th, 2008, at approximately 1:00 p.m.

Mr. Imoukhuede indicated as an elected Trustee in the Village of Matteson, it was his intent to finalize the political committee. Mr. Imoukhuede stated due to a family illness, the report was filed three (3) days late.

Based upon a review of the documents/statements submitted in this matter, the Hearing Examiner finds there are no reasonable grounds for the December 2007 Semi-Annual Report to have been filed late. Therefore, it is the recommendation of the Hearing Examiner that the appeal in this matter be denied. The Hearing Examiner further recommends considering this is a first violation, that the assessed fine of $75.00 be stayed. The Final Order of the Board should note any subsequent violations shall result in the assessment of additional penalties being incorporated with any previous assessments.

Dear Friends of Emmanuel Imoukhuede;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contributions and Expenditures
Report Period:	July 1, 2007 through December 31, 2007
Filing Period:	January 2, 2008 through January 22, 2008

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received by the Board on January 25, 2008, 3 day(s) late. As such, this committee has been assessed a fine of $75.00.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

Since this is a first time violation, the assessed civil penalty will be *stayed.* Any subsequent violation of any provision of Article 9 of the Election Code or of a Board Order shall result in the assessment of an additional penalty as provided in Section 125.425 of the Rules and Regulations governing the State Board of Elections, with that civil penalty and any previously assessed penalty to be paid within 30 days. Therefore, you need not pay this assessed civil penalty unless another violation occurs.

If you have questions regarding the appeal process, please call Sue McArthur at 217/782-1543.

Sincerely,

Rupert T. Borgsmiller, Director

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment
For Failure to File a Schedule A-1 for the 2007 Consolidated Election

This Committee received 10 contributions, but failed to list them on a Schedule A-1. On 3/26/07, it received a contribution of $1500; on 3/27/07, it received a contribution of $2000; on 4/3/07, it received a contribution of 1500; on 4/4/07, it received a contribution of $3000; on 4/5/07, it received contributions of $1000, $1000, $1000, $2500, and $1500; and on 4/8/07, it received a contribution of $1500; for a total of $16,500. In addition, this Committee had been assessed a civil penalty of $2200 (not appealed, stayed) for delinquently filing the pre-election report for the 2007 Consolidated Election. The total assessment is $18,700.

Dr. Syleecia Thompson, the Treasurer of the Committee, filed an Appeal Affidavit. Neither a Request for Hearing nor a Waiver of Appearance was filed. Staff unsuccessfully attempted to contact Dr. Thompson regarding this. Since Dr. Thompson attached a memo from herself stating her defense, I will make my recommendation based upon the attachment to the Appeal Affidavit.

On the Affidavit, Dr. Thompson referenced an attached letter. In the letter she stated that she is extremely regretful for failing to file the A-1s. She is the treasurer of the Committee and the candidate's daughter. It was not her intention to forget these A-1s, but the bookkeeper quit abruptly and was nowhere to be found. She then had to become engulfed in this process more, but the A-1s were left out because she wasn't quite aware of the detailed requirements of filing. During the filing period, she worked with Board staff, and they never made her aware that she was missing the A-1s. The election caused many stresses in their family. It was a very heated political campaign that pulled her and her mother in many directions. She would like the opportunity to file these forms within 30 days and clear this matter up.

It is apparent that this Committee had some internal problems which placed a lot of stress on all involved, especially Dr. Thompson, the Treasurer, since the bookkeeper quit. However, internal personnel problems do not constitute an adequate defense in regards to failing to file the Schedule A-1 forms. Contributions totaling $16,500 were received by the candidate prior to the election and those contributions were not reported by the Committee until well after the election.

Therefore, I recommend that the appeal be denied for lack of an adequate defense. However, since there is no indication that these violations were anything other than inadvertent and unintentional, I also recommend that the penalties be reduced to 10% of the original assessments, or $1650. If this recommendation is accepted by the Board, the stay will be lifted from the previously assessed $2200 penalty, with the total assessment being $3850. In addition, since this Committee has filed a Final Report, I further recommend that should the Committee remain dissolved for a period of 2 years following the date of the Final Order imposing the penalty, the fine be abated.

Dear Citizens to Elect Brenda L Thompson;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

The Woodman Group	4/4/07	$3000.00	$3000.00	*not filed	

The committee is fined a **total** of $16500.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $1650.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.
Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

If you have any questions regarding the appeal procedure, please call Sue McArthur at 217/782-1543.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment For Delinquently Filing the
D-1 Statement of Organization

The D-1 Statement of Organization was received on October 1, 2007, 30 days late, resulting in a civil penalty assessment of $750.

Carolyn Marks, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Marks stated that at the time she filed the D-1 at the Court House, she thought it would automatically be transferred to the State. She did not know until weeks later when someone asked her if she had filed with the State, that she had to personally mail her forms to the State. She understands that it is her responsibility to know this and apologizes for the error. She states that this is all new to them, and there is so much to learn and know. She strives to follow the rules and does not procrastinate in these matters; in fact, she likes to file early so that she may correct any errors if there are errors. She asks that the penalty be waived and thanks the Board for the opportunity to state her case.

I sympathize with Ms. Marks, as it is clear that she is sincere in her efforts and did not intend to violate the Act. In fact, this Committee's 2007 December Semi-Annual report was filed electronically on 1/2/08, the first day of the filing period. However, it is the responsibility of the treasurer to keep records and file the reports required under the Act. There are many brochures and other materials available to assist her in meeting these obligations, and the Board is just a phone call away if she is unsure of what is required. I therefore recommend that the appeal be denied for lack of an adequate defense. The penalty is $750. As a first violation, the penalty is stayed.

I did not know until weeks later when someone ask me if I had filed with the State & I said, "Yes, I went to the Court House." At that time I was informed that I must personally mail my information to the State.

I understand that it is my responsibility to know these things & I am embarrassed for the mistake. I can only say that this is all NEW to us & there is so much to learn & know. I strive to abide by the rules & regulations

I "thank God" that the assessed civil penalty will be "stayed." But I'm writing to ask you if you would "PLEASE" remove it from our record.

I did not fail to file because of procrastination. I prefer to do reports early just in case corrections need to be made. I just absolutely "did not know." I immediately sent in the information as soon as I learned of the rule. Any penalty would be a hardship on us

Case No. L14373

Again I "Thank You" for the "stay". And again I ask to be "forgiven" of my unintentional delinquent report and that it be removed from our records. I am humiliated and embarrassed.

I plead for your compassion to "waive" this penalty from our records.

I thank You for allowing me the opportunity to "state my case" even though I was the one in error.

I will be anxiously awaiting your ruling.

Appeal of Civil Penalty Assessment for Delinquently Filing
The 2007 December Semi-Annual Report

The Report was received on January 24, 2008, 2 days late, resulting in a civil penalty assessment of $50.

Jan Conci, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Ms. Conci stated that her job requires her to be out of town most of the time. She returned home and realized she had missed the deadline.

One of the statutory duties of the Committee Treasurer is to file statements and reports required under the Campaign Finance Act. If the Treasurer is unable to perform her duties due to the fact that she is often out of town, it is up to the Committee and Ms. Conci to decide how best to address that problem. One option would be for the Committee to file its reports electronically. I recommend that the appeal be denied for lack of an adequate defense. As a first violation, the penalty of $50 is stayed.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing the
December 2007 Semi-Annual Report

The political committee's December 31st, 2007 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on February 26th, 2008, twenty-three (23) days late. As such, the political committee has been assessed a fine of $1,150.00. In addition, the political committee was previously assessed a penalty of $275.00 for the delinquent filing of its June 2007 Semi-Annual Report. The total assessment is $1,425.00. Since this is a subsequent violation, it will be required to be paid by the political committee within thirty (30) days of the issuance of a Final Board Order.

Ms. Robin Stone, Treasurer, filed a Request for Hearing and Appeal Affidavit, on March 28th, 2008, indicating the "Committee is non-participating and about to close".

Hearing in this matter was set for Friday, April 18th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, 14-100, at 10:00 a.m. This hearing was subsequently held via teleconference call on Friday, April 11th, 2008, at approximately 10:30 a.m.

Ms. Stone indicated that the political committee had a balance of $190.15, and would be submitting a Final Report terminating the committee's activity. Such Final Report was received by the SBE on Thursday, April 17th, 2008. I advised Ms. Stone that the Hearing Examiner would recommend that lacking reasonable grounds, the appeal be denied, but in consideration of the filing of a Final Report, the Hearing Examiner would further recommend that the assessed penalty totaling $1,425.00 be abated if the political committee remains dissolved for a period of two (2) years following the date of the Final Order of the Board imposing the penalty.

Dear Citizens for Phil Pritzker;

As you have been previously notified, this committee failed to file the following document during the requisite filing period:

Report Type:	Semiannual Report of Campaign Contribution and Expenditures
Report Period:	July 1, 2007 through December 31, 2007
Filing Period:	January 2, 2008 through January 22, 2008

Based upon this committee's failure to comply with the provision of 10 ILCS 5-9-10 of the Election Code, it has been assessed a civil penalty for each day this report remained unfiled. According to Board records, this report was received on February 26, 2008, 23 day(s) late. As such, this committee has been assessed a fine of $1150.00.

Enclosed please find the Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fine if you believe the civil penalty has been assessed in error. Notice of Appeal must be filed within 30 days of the mailing of this assessment notice. If you fail to file a Notice of Appeal within this 30 day period, you forfeit the right to contest this assessment.

If the above listed violation is not appealed and since this is a subsequent violation the previously stayed fine(s) for delinquent filing is now also required to be paid by the committee within 30 days of the issuance of the Final Board Order:

Reporting Period	Report Type	Previous Fine Amount

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing
A Schedule A-1 for the 2008 General Primary Election

This Committee received two contributions, one of $3000 on 1/17/08, and a second of $4000 on 1/8/08, and listed them on a Schedule A-1 filed on 1/24/08, the first 2 days late, and the second 9 days late. The total assessed penalty is $7000.

Robert L. Fealy, the Treasurer of the Committee, filed a Waiver of Appearance and submitted on the Appeal Affidavit the following:

On the Affidavit, Mr. Fealy stated that this is a small organization staffed by volunteers. They misinterpreted the 2008 Campaign Disclosure Calendar. The first reference to reporting of aggregate contributions (#1 on attachment) did not include the language "...received within the 30 days period preceding an election..." This language was included on a subsequent reference (#2 on attachment). They interpreted the first reference to mean that they had to report contributions made to other candidates, not to funds received by the IVCA-PAC. They request that the Board waive the penalty and they will work diligently in the future to comply with regulations.

This Committee has been on file since October of 2002. There are definitely larger committees, but this one reported more than $43,000 in receipts and more than $33,000 in expenditures on the 2007 December Semi-Annual Report, with an ending balance exceeding $28,000, so I would not consider it to be a small organization. It has filed Schedule A-1s previously, one as recently as March of 2007; therefore, the Committee has in the past been aware of its filing obligations in regards to the Schedule A-1. There seems no logic to the defense that for this one election, a Schedule A-1 was to be filed for contributions 'made' rather than contributions 'received'. I therefore recommend that the appeal be denied for lack of an adequate defense. However, since there is no reason to believe that these violations were anything other than inadvertent or unintentional, and since this is the first Schedule A-1 violation during the last two years, I also recommend that the penalty be reduced to 10% of the original assessment, or $700. If this recommendation is accepted by the Board, the civil penalty of $700 will be due and owing.

Dear IVCA PAC;

This committee has failed to file the following Schedule A-1's, Report of Campaign contributions of more than $500.00, within 2 business days of receipt as required by the Illinois Campaign Disclosure Act:

Contributed By	Date of Contribution	Fine Assessed	Amount of Contribution	Date A-1 Received	Days Late
Adams Street Partners LLC	1/17/08	$3000.00	$3000.00	1/24/08	2
James TenBroek	1/8/08	$4000.00	$4000.00	1/24/08	9

The committee is fined a **total** of $7000.00 for delinquently filing Schedule A-1 reports as required by the Illinois Campaign Disclosure Act. This total ***does not*** reflect any previously assessed fines.

Based upon this committee's failure to comply with the provision of 10 ILCS 5/9-10(b-5) of the Election Code, the Board may impose fines for violations not to exceed 100% of the total amount of the contributions that were untimely reported, but in no case when a fine is imposed shall it be less than 10% of the total amount of the contributions that were untimely reported.

Since this is the first delinquent Schedule A-1 filing by your committee, the civil penalty will be automatically reduced to $700.00, (10% of the total amount reflected above) if you do not choose to file an appeal under the Board's present policy. The total amount due will be imposed with the issuance of a Final Board Order after the 30-day appeal period had expired. This amount must be paid (including any previously assessed fines), within 30 days of the issuance of the Order.

Enclosed please find Section 125.425 Civil Penalty Assessments and the forms with which you may appeal the assessed fines if you believe the civil penalties have been assessed in error. ***If you have a legitimate reason for your delinquent filing, it would behoove you to send in the appeal form since the Board has the discretion to take extenuating and other circumstances into account in determining the amount of your penalty.*** Notice of Appeal must be filed within 30 days of the mailing of this assessment for it to be considered.

If you have any questions regarding the appeal procedure, please call Sue McArthur at 217/782-1543.

Sincerely,

Rupert T. Borgsmiller

* This contribution was reported on the December 2007 Semi-annual Report but should have been reported on a Schedule A-1 Report of Campaign Contributions of more than $500.00, within 2 business days of receipt.

** This contribution did not, by itself, necessitate filing of a Schedule A-1. No fine was assessed for this contribution – it is listed for informational purposes only. A subsequent contribution, when aggregated with this contribution, exceeded the "more than $500.00" threshold and was used as the basis for the fine assessment.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for Delinquently Filing the
December 2007 Semi-Annual Report

The political committee's December 31st, 2007 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on February 1st, 2008, eight (8) days late. As such, the political committee has been assessed a fine of $200.00. In addition, the political committee was previously assessed a penalty of $600.00 for the delinquent filing of a Schedule A-1 in conjunction with the March 2006 election. The total assessment is $800.00. Since this is a subsequent violation, it will be required to be paid by the political committee within thirty (30) days of the issuance of a Final Board Order.

Ms. Margarita R. Rosa, Treasurer, filed a Request for Hearing and Appeal Affidavit, on April 1st, 2008, indicating "I did not file the Semi-Annual Report due on January 22, 2008 due to the fact that we are no longer a continuing political committee, we did not collect any contributions nor did we make any expenditures. The 5/9-10 Financial Reports in the State Board of Election Rules and Regulations state that a political committee shall not be required to file reports if they do not make expenditures in excess of $500.00. We made no expenditures. In addition we have closed our bank account and had a zero balance at the time of our closing of the account. I filed the report as soon as I received notice that a report had not been file which was on February 1, 2008".

Hearing in this matter was set for Friday, April 18th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, 14-100, at 10:30 a.m. This hearing was subsequently held via teleconference call on Friday, April 11th, 2008, at approximately 10:00 a.m.

Ms. Margarita R. Rosa indicated that the political committee had filed a Final Report on March 14th, 2008, terminating its active status with the SBE. I advised Ms. Rosa that the Hearing Examiner would recommend that lacking reasonable grounds, the appeal be denied, but in consideration of the filing of a Final Report, the Hearing Examiner further recommends that the assessed penalty totaling $800.00 be abated if the political committee remains dissolved for a period of two (2) years following the date of the Final Order of the Board imposing the penalty.

REPORT OF HEARING EXAMINER

Appeal of Civil Penalty Assessment for Delinquently Filing the
December 2007 Semi-Annual Report

The political committee's December 31st, 2007 Semi-Annual Report was received by the State Board of Elections (herein referred to as SBE) on January 28th, 2008, four (4) days late. As such, the political committee has been assessed a fine of $200.00. In addition, the political committee was previously assessed a penalty of $400.00 for the delinquent filing of its June 2007 Semi-Annual Report. The total assessment is $600.00. Since this is a subsequent violation, it will be required to be paid by the political committee within thirty (30) days of the issuance of a Final Board Order.

Ms. Norenna L. Kuhn, Treasurer, filed a Request for Hearing and Appeal Affidavit, on March 24th, 2008, indicating that the "Filing was prepared prior to the deadline with Board of Elections help. Did not download on correct date".

Hearing in this matter was set for Friday, April 18th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, 14-100, at 11:00 a.m.

Ms. Norenna Kuhn, Treasurer, accompanied by Ms. Jolyn Bishop, friend, appeared on behalf of the Respondent. Ms. Kuhn indicated that she received assistance in preparing the report from Ms. Tara Cachur, SBE staff, but inadvertently failed to download the document in a timely manner. Ms. Kuhn stated she has resigned her position as Treasurer, effective April 17th, 2007. Ms. Kuhn stated the political committee is quite small with minimal activity.

Based upon a review of the documents/statement presented in this matter, and consideration of a prior filing delinquency, the Hearing Examiner finds that there are no reasonable grounds for the December 2007 Semi-Annual Report to have been filed late. Therefore, it is the recommendation of the Hearing Examiner that the appeal in this matter be denied, and the assessed fine of $600.00 be due and owing.

REPORT OF HEARING EXAMINER
Appeal of Civil Penalty Assessment for the late filing of a
Statement of Organization and the June 2007 Semi-Annual Report

The political committee's Statement of Organization, Form D-1, was received by the State Board of Elections (herein referred to as SBE) on January 10th, 2008, 207 days late. As such, the political committee has been assessed a fine of $5,000.00. The political committee's June 2007 Semi-Annual Report was received by the SBE on January 22nd, 2008, 117 days late. As such, the political committee has been assessed a fine of $5,000.00. Since this is a subsequent violation, it will be required to be paid by the political committee within thirty (30) days of the issuance of a Final Board Order.

Mr. Alex Lyons, Candidate/Chairman, filed a Request for Hearing and Appeal Affidavit, on March 29th, 2008, indicating "The committee moved to a new location. While transporting boxes, some boxes which included the financial records were misplaced. The campaign info was not found until the end of the December. As a result, all forms were filed in a timely manner".

Hearing in this matter was set for Friday, April 18th, 2008, to be conducted at the Chicago Board office, 100 W. Randolph, 14-100, at 11:30 a.m.

Mr. Alex Lyons, appeared on behalf of the Respondent. Mr. Lyons indicated that the movement of campaign materials from one location to another created the misplacement of political records making the timely filing of disclosure reports impossible. Mr. Lyons stated once the records were located, the disclosure filings were submitted.

Based upon a review of the documents/statements submitted in this matter, the Hearing Examiner finds there are no reasonable grounds for the Statement of Organization or June 2007 Semi-Annual Report to have been filed late to the extend indicated. Therefore, it is the recommendation of the Hearing Examiner that the appeal in this matter be denied, and the assessed fine totaling $10,000.00 be due and owing

Re: Friends of Terry Link/Peter Couvall

Date: May 7, 2008

The Board instructed me last month to prepare a report summarizing the staff's inquiry in regards to Peter Couvall and his involvement with the petition submitted by Senator Terry Link. Below is a brief synopsis of staff involvement.

The Board received an inquiry regarding the payment for individuals to collect signatures for Senator Terry Link's petition. The inquiry cited testimony given during the objection to petitions submitted by Senator Link (Transcript P 52). I had staff review testimony that was given during the objection proceeding and several questions were directed towards Peter Couvall. Mr. Couvall answered our first inquiry and his answer generated a follow-up letter from staff. A letter was then submitted on Mr. Couvall's behalf by attorney Michael Dorf. All correspondence has been included with this memo. I would like to point out that according to the Friends of Terry Link they paid Peter Couvall $2,500 on 9/22/07 for staff salary. (Schedule B)

Lastly, I conferred with Steve Sandvoss and we concluded that the issues raised by staff had been answered and no further reporting by the committee was necessary.

BY MR. LAVELLE:

Q. But go ahead with respect to your question. Do you recall the question?

A. No.

Q. All right. What did -- what did Peter Couvall tell you with regard to circulating the petitions as far as being paid? Did he tell you he would pay you?

A. Yes, sir.

Q. Did he tell you how much?

A. No.

Q. Did he tell -- what did he say he would pay you for?

A. If I had 500 signatures, out of 500 signatures, it was hard to say how much I get paid. I might do so many, like I might do 200 and get maybe $100.

Q. Well, were you told to fill out whole sheets?

A. 1 through 25.

Q. He wanted whole sheets done?

A. Whole sheet had to be done.

Q. And did you -- now we're back off the offer of proof.

Dear Mr. Couvall:

A review of testimony in re *Jerry Johnson, objector, vs. Terry Link, candidate*, before the State Officers Electoral Board on December 8, 2007, has generated a matter of interest for the Campaign Disclosure Division.

Witness Kenneth Davison testified that you told him you would pay him for circulating petitions on behalf of Senator Link's candidacy for re-election.

We need to determine the answers to several questions:

1) Was Mr. Davison, in fact, paid for circulating the petitions?

2) If so, was he paid by the Lake County Democratic Central Committee, by Friends of Terry Link, and/or by you or Senator Link personally?

3) If so, how much was he paid?

Please respond in writing to this correspondence so we may determine if amended reports will be required of either the Democratic Central Committee or Friends of Terry Link.

Respectfully,

Dear Mr. Levin:

I am in receipt of your letter addressed to me dated February 14, 2008. You asked three separate questions, and my responses to those questions are as follows:

1. Was Mr. [Kenneth] Davison, in fact, paid for circulating petitions?

Response: Yes.

2. If so, was he paid by the Lake County Democratic Central Committee, by Friends of Terry Link, and/or by you or Senator Link personally?

Response: Friends of Terry Link (FTL) paid me to assist in the preparation of Senator Terry Link's nominating petitions. In the course of my activities, I chose to pay individuals, like Mr. Davison, to help me.

FTL's payment to me in the amount of $2,500.00 is reflected on its semi-annual report which was filed in January.

3. If so, how much?

Response: $360.00

Sincerely,

Peter Couvall

Dear Mr. Couvall:

Your response to our initial inquiry in this matter indicates Friends of Terry Link paid you to assist in the preparation of Senator Link's nominating petitions and that you, in turn, paid individuals to help you. You indicated that Mr. Davison was paid $360.00.

By way of clarification, could you please identify the other individuals whom you paid for their assistance in this effort and how much each was paid?

Thank you for your continued assistance in this matter.

BOARD OF ELECTIONS
08 MAR 31 AM 10:53

March 27, 2008

(S 6692-13)

Mr. John Levin
Campaign Disclosure Specialist
Illinois State Board of Elections
1020 South Spring Street
Springfield, Illinois 62708

Dear Mr. Levin:

Mr. Peter Couvall has forwarded to me, as counsel to Friends of Terry Link, the principal campaign committee of Senator Terry Link, and registered with the State Board of Elections as State Committee S-6692 (the "Committee"), your letter to him dated March 18, 2008, with the Reference Heading **"Jerry Johnson, objector, vs. Terry Link, candidate"**. You state that the letter is a follow up to "our initial inquiry in this matter", and you request information concerning a payment made by the Committee to Mr. Couvall to assist in the preparation of Senator Link's nominating petitions. For your convenience I have attached a copy of your March 18, 2008 letter, marked as Exhibit A.

As a preliminary matter, and as one of the attorneys representing Mr. Link in Jerry Johnson, Objector, v. Terry Link, Candidate, 07-SOEP GP 515, I object to any attempt by the State Board of Elections to revisit this matter. Not only have you no statutory basis to reassert jurisdiction in this case, which was decided by the State Board on December 21, 2007, and affirmed by the Circuit Court of Cook County on January 9, 2008, but it is a prima facie breach of due process not to have given Senator Link notice of your action.

Turning to the substance of your inquiry, the March 18, 2008 letter was a response to a letter sent by Mr. Couvall to you, which I have attached as Exhibit B, which in turn was in response to an initial letter, dated February 14, 2008, sent by you to Mr. Couvall, which I have attached as Exhibit C. I will summarize each in turn.

Your February 14, 2008 letter was addressed to Mr. Couvall as Vice-Chairman of the Lake County Democratic Party. It noted that a review of the testimony in Johnson v. Link had "generated a matter of interest". You asserted that a witness, Kenneth Davison, had testified

S 6692

concerning payment for circulation of petitions. You asked whether Mr. Davison had been paid for circulating petitions, and if so, the source and amount of such payment. You specifically asked if payment was made by the Lake County Democratic Central Committee, the Committee, Mr. Couvall personally, or Senator Link personally. You stated the purpose of your letter as the determination whether an amended report would be required from either the Lake County Democratic Central Committee, or the Committee.

Mr. Couvall's response to you stated that the Committee had hired Mr. Couvall to assist in the preparation of petitions. Mr. Couvall noted that such payment was disclosed in the Semi-Annual Report filed by the Committee for the applicable period. Mr. Couvall further stated that Mr. Davison had been paid by Mr. Couvall to assist him.

Given the stated purpose of your February 14, 2008 letter, to determine whether the Committee or the Lake County Democratic Central Committee needed to file an amended report, once Mr. Couvall had made clear that a reported expenditure had been made by the Committee, any further inquiry should have been directed to that entity. Instead, your March 18, 2008 letter asks Mr. Couvall, who is not an officer of the Committee, questions that presumably go to your desire to obtain information concerning the Committee's expenditures.

As the Committee reported, and as Mr. Couvall confirmed, an Expenditure of $2,500 was made to Mr. Couvall on September 22, 2007. Mr. Couvall's assignment was the preparation of Senator Link's nominating petitions. Mr. Couvall was not, nor was he intended to be, a "conduit" for such expenditure, as contemplated by the language in 26 Ill.Adm.Code 100.70 (c) , which might require additional disclosure. Rather, his assignment was the same as that of any vendor who was given a task and, as part of such task, might use others to assist him. The Committee did not give him further directions, nor did it specify how the task should be completed. Accordingly, no further information was required to be reported by the Committee, nor by any other committee or person.

Please direct any further requests for clarification to my attention.

Sincerely,

Michael C. Dorf

Re: Professional Services

Date: May 7, 2008

As staff has been reviewing reports filed by political committees it appears that committees may not be reporting professional services being provided either by (1) reporting payments to a professional for services rendered, or (2) as an in-kind contributions from the professional. I would ask that the Board review the draft correspondence enclosed and also allow staff to contact political committees as needed, to make them aware of the requirement to disclose professional services. Since I am attempting to clarify that professional services (including legal representation) provided to a political committee should be disclosed, I am seeking approval of the Board for this change.

I would like to remind all political committees of the need to report the value of professional services provided by Attorneys, CPAs, etc on their campaign disclosure reports. If a political committee has had services rendered by such a professional, that information must be included on their campaign disclosure report. The value of such services may be reported as an expenditure made to such professional, or as a receipt of an in-kind contribution from the person who paid for or otherwise provided for the services. Keep in mind that if the service was provided without charge to the committee, it would be considered an in-kind contribution. Furthermore, if someone other than the committee paid for the service provided, the in-kind contribution would be reported in that person's name. Professional services are not limited to legal services only.

Legal services provided in connection to a petition challenge, an election contest, a disclosure complaint, or an assessment for late filing of reports should be included. Also, if an accountant is providing filing assistance during normal business hours, there is a value that should be reported. Professional services provided, whether donated or paid for, must be reported.

It has become apparent as campaign disclosure staff has been reviewing reports on file, that most committees have not been reporting these services. I ask that all political committees review their records and reports in light of this notification and file any appropriate amendments.

ILLINOIS STATE BOARD OF ELECTIONS
Complainant

Vs. **Board File No. 07 CD 069**

ANNUAL ROOSEVELT COCKTAIL PARTY
Respondent

Procedural History

On June 28, 2007, the Board filed a D-4 complaint against the Respondent alleging a violation of Sections 9-10, 9-13, and 9-14 of the Campaign Disclosure Act in that it "failed to adequately report receipts, expenditures and closing balance on its June 2006 Semi-Annual Report of Campaign Contributions and Expenditures. A Closed Preliminary Hearing was scheduled for July 16, 2007, but no representative of the Respondent appeared. On November 21, 2007, the Board issued an order mandating a public hearing on this matter. The undersigned was appointed as the hearing examiner for the public hearing and the hearing was set for January 4, 2008 in the Board's Springfield office. No representative of the Respondent appeared for the hearing. On January 18, 2008, the Board's General Counsel issued a subpoena duces tecum seeking all of the bank records for the Respondent. On March 7, 2008, the undersigned received the documents.

Complainant's Case-in-Chief

The Respondent's timely-filed June, 2006 semi-annual report contained a starting balance ($0.00) which was significantly different from the ending balance of the next preceding annual report ($22,025.95). The Board's staff notified the Respondent of the discrepancy and requested an amended semi-annual filing to correct the discrepancy. The Respondent filed an amended report on September 14, 2007. However, while the starting balance listed on the amended report matched the ending balance on the previous report, the amended report was internally inconsistent. The instant complaint followed.

Respondent's Case-in-Chief

No representative of the Respondent has appeared for the closed preliminary or open hearing in this matter. There is also no written correspondence to account for the discrepancies in the amended report or for the inaccurate initial report and staff reports that the representatives of the committee have provided no bases for the discrepancies in phone conversations with campaign disclosure staff.

CONCLUSIONS AND RECOMMENDATIONS

The records provided by Region's Bank pursuant to subpoena provide some insight into the record keeping practices of the Respondent. The statements for the period in question (June, July and August of 2006), do not show a balance of $22,025.95 at any time, nor do they show a balance of $0.00 at any time. Checking further into the bank statements for the remainder of the reporting period in question (January, February, March, April and May, 2006), once again there is not a single point in time upon which a $0.00 or $22,025.95 balance occurs. This leaves one to wonder how the Respondent arrived at the figures of $22,025.95 and $0.00 which appear on the initial filing.

The amended filing shows a balance of $11,631.97 at the end of the filing period. Once again, a cross-check of the bank statements for the period of January through July, 2006 does not show a single point in time upon which the fund amount reported by the Respondent was accurate. Without any input from the Respondent, I cannot determine how the two reports submitted by the Respondent could possibly reconcile with the facts in front of me. It may very well be that the Respondent could provide a valid explanation for the discrepancies which exist between its filings and the records before me. However, the Respondent has not attempted to do so. Moreover, the Respondent has a history of failing to comply with directions from the Board staff, leading to the strong implication that the Respondent does not take its reporting responsibilities seriously enough.

In mitigation, a review of the Respondent's bank records reveals that the initial and amended reports are not distinctly different from the totals which were reported. Because the Respondent has been fairly active in terms of raising and spending money, the totals reported differ from the amount held in the Regions Bank account by thousands of dollars. However, on a percentage basis the totals reported are relatively close to the amounts listed in the bank records. A review of the records shows that the Respondent's raising and spending pattern has it raising the bulk of its money in the late summer, reaching a peak of $29,468.75 in 2005, $16,905.92 in 2006 and $24,134.78 in 2007. These peaks in fundraising are consistently followed with spending patterns which drop the fund balance to below $1,000, so the reported totals do vaguely approximate the spending patterns of the Respondent. Moreover, since the reports are not distinctly different from the reality shown by the bank records, it does not appear that the Respondent was attempting to gain some sort of advantage or violate the intent of the Campaign Disclosure Act through outright fraud through its misreporting.

The Respondent's initial and amended reports are inarguably flawed and there is no excuse for the inaccuracies contained therein. However, I do not believe the poor reports are the product or an intentional attempt to deceive and should not be treated as willful. Having said that, the reports are recklessly negligent and a significant fine would be appropriate in order to ensure that the Respondent's future reporting is both timely and accurate. There is no history of prior fines or complaints against the Respondent, so there is hope that the Respondent will improve on its current methods in the face of a stipulation by the Board that further errors, omissions or late filings will result in a fine.

REGIONS BANK

Deposit Customer Acknowledgement
FDIC Insurance Coverage

I have been advised and I understand that on June 29, 2005, Union Planters Bank, National Association ("Union Planters") merged with and into Regions Bank ("Regions"). As a result of that merger, Regions legally assumed any and all Union Planters deposits I owned as of the date of the merger. I also understand that such Union Planters deposits will continue to be separately insured by the Federal Deposit Insurance Corporation ("FDIC") for a period of time after the merger. This period of time extends for six months after the merger date, that is, until December 29, 2005. For any time deposit I may have, such as a CD or an IRA, separate insurance continues until the first maturity date after the six-month period. At the end of this period, my Union Planters deposits will be aggregated with my Regions deposits for the purpose determining the extent of FDIC coverage.

I also understand that any deposits I make after June 29, 2005, will be considered Regions deposits and will be aggregated with all other Regions deposits I owned as of June 29, 2005, for the purpose of determining the extent of FDIC insurance coverage.

I also understand that the branch office where I do my banking business, as well as other branch offices, may continue to use the Union Planters name, in documentation or otherwise, although these branch offices will legally be part of, and my banking relationship will be with, Regions. The rules on deposit insurance coverage described above will continue to apply.

I further understand that if I maintained deposit accounts with both Union Planters and Regions at the time of the merger, I may contact a customer service representative at my branch to discuss how my accounts may be structured to maximize FDIC insurance coverage.

Re: Act Blue Illinois

Date: May 2, 2008

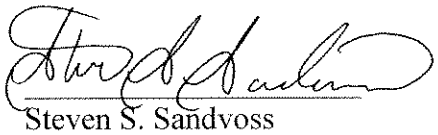
Pursuant to the Board's request, I have provided two alternative proposed rulemakings that address the issue of the reporting obligations of ActBlue Illinois (hereinafter, Act Blue) and similar organizations. The first proposed rulemaking attempts to exempt conduit organizations such as ActBlue from the registration and reporting requirements of the Campaign Finance Act (hereinafter, the Act) and the second proposed rulemaking takes the opposite position by specifically requiring such registration and reporting by conduit organizations.

It is the position of the Campaign Disclosure Division and myself, that the best approach to this issue, at least for the time being, is to maintain the status quo and not embark on any rule change. To our knowledge, ActBlue is the only conduit organization that is currently on file with the State Board of Elections, therefore the issue described above appears to be limited to one organization. As such, the issue of dual reporting of contributions would be similarly limited. Second, I believe that any expansion or contraction of the coverage of the Act should be done through legislation as opposed to rulemaking. The Board will note that the examples of other states' laws that I provided last month were all statutory. I also recommend that such Board approved legislation should be sought at the next session in 2009, as other parties interested in this type of fundraising mechanism may take the same action as ActBlue.

I understand the reluctance of some to any attempt by the Board to limit the coverage of the Act and I also recognize that the Joint Committee on Administrative Rules may share this reluctance. On the other hand, an attempt to expand the coverage of the Act through rulemaking may subject such rulemaking to a challenge of expansion of coverage beyond the scope of the statute. With that in mind, I would ask the Board to direct those seeking to comment on this matter to specifically address the issue of whether or not such legislation should be proposed to include or exempt such conduit organizations from the coverage of the Act, presuming of course that the Board agrees on this course of

action. Should such legislation be enacted, the Board through its rulemaking authority can address any related matters as it feels is necessary.

Sincerely



Steven S. Sandvoss

g) Political Committee

1) Reference: This subsection (g) interprets or applies Section 9-1.9 of the Election Code.

2) A person or whoever, as defined in Section 9-1.6 of the Election Code [10 ILCS 5/9-1.6] and as defined in subsection (b) does not qualify as a political committee pursuant to Article 9 of the Election Code by simply making a contribution from his or her personal income or profits regardless of the amount of the donations.

3) If a person or whoever solicits or receives funds for political purposes ~~or acts as a conduit for political funds~~, he or she would, in fact, become a political committee and have to comply with all provisions of Article 9 of the Election Code. For purposes of this subparagraph, a person or organization that simply facilitates a transfer of political funds from a contributor to an intended recipient candidate, political committee or committee to support or oppose a question of public policy, and does not have any discretion or independent decision making authority as to the amount or recipient of the political funds, is not a political committee and therefore is not under an obligation to comply with the reporting provisions contained in Article 9.

g) Political Committee

1) Reference: This subsection (g) interprets or applies Section 9-1.9 of the Election Code.

2) A person or whoever, as defined in Section 9-1.6 of the Election Code [10 ILCS 5/9-1.6] and as defined in subsection (b) does not qualify as a political committee pursuant to Article 9 of the Election Code by simply making a contribution from his or her personal income or profits regardless of the amount of the donations.

3) If a person or whoever solicits or receives funds for political purposes or acts as an intermediary or conduit for political funds, he or she would, in fact, become a political committee and have to comply with all provisions of Article 9 of the Election Code. All contributions of such funds made on behalf of a candidate, political committee or committee to support or oppose a question of public policy that are earmarked and directed through an intermediary or conduit are considered to be contributions from that person to the candidate or committee. The intermediary or conduit shall report the original source (person or whoever) and the intended recipient of the contribution to the State Board of Elections and to the intended recipient. For purposes of this subparagraph, a conduit or intermediary is a person, committee, or other organization who is in the business of, or whose primary purpose is to facilitate the transfer of such funds or contributions to recipient candidates or committees.

Subject: Hearing on Rule Change

Dear Steve,

I wanted to touch base with you concerning the rule change which the Board is still considering that would impact the way ActBlue Illinois reports the contributions it receives. I am planning to attend the May 19th meeting where, if I remember correctly, the rule change will be taken up again and public comment will be welcomed. We will likely have comments to enter in the record at that time.

I'd like to share just a few thoughts I had on the matter as you're preparing for the upcoming meeting. As I think you may already know, we would prefer a structure under which we are reporting our contributions and all of the parties involved in a contribution -- the original contributor, our committee, and the ultimate recipient candidate or committee -- are disclosed, but the contribution is not double-counted. At the last meeting, Member McGuffage suggested the possibility of not requiring ActBlue Illinois to register as a committee and still imposing certain reporting requirements upon it. This is a reasonable compromise, but I worry about whether the Board would have jurisdiction over a non-committee to require such reporting.

From our perspective, the best solution to the problem would be a technological fix which avoids the double-counting through something like a memo field in the report identifying a contribution as a pass-through. Short of that, exempting committees such as ActBlue Illinois from having to register, based on the lack of discretion over the contributions it receives and disburses, seems like the next best option. I would be a bit concerned that introducing into the rules other terms and elements such as "earmarked contributions" and the like, which are not included or defined in the statute, could make the rule vulnerable to accusations of overreaching. In this regard, we feel that the second draft rule change which you included in the packet for the March 7th Board meeting (p.55) is superior to the first draft rule change (p.54), although it would be ideal if the same discretion language found in the second draft could be used to create a rule which still requires ActBlue Illinois to register and report in such a way that it is not double-counted.

I want to thank you once again for all your work on this matter, and for taking the time to arrive at the best possible solution to this problem given the circumstances. It's of the utmost importance to us, as I'm sure it is to you as well, that the double-counting problem be fixed in such a way that limits transparency as little as possible and does not contradict the Board's mission. If we can be of any further assistance to you as you draft rule changes or prepare for the upcoming Board meeting, please do not hesitate to contact me.
