# Senate District 44

(Encompasses the entirety of Menard and Logan Counties, and partially within Tazewell, McLean and Sangamon Counties)

Senate District 44 shall include that part of Illinois beginning at the northwest corner of Tazewell County, thence east, south, east and south along the Tazewell / Woodford County border to the McLean County border,

thence east along the McLean / Woodford County border to the northeast corner of Danvers Twp in McLean County,

thence south along the Danvers / White Oak Twp border to the northwest corner of Dry Grove Twp, thence east along the Dry Grove / White Oak Twp border to the northeast corner of Dry Grove Twp,

thence south along the Dry Grove / Normal Twp border to the northeast corner of Section 25, T24N, R1E (3rd principal meridian),

thence continuing south along the east borders of Sections 25 and 36, T24N, R1E (3rd principal meridian) to a point approximately 130 feet north of the Bloomington City Twp border,

thence west for approximately 400 feet,

thence southeast for approximately 500 feet to the east Bloomington City Twp border,

thence east for approximately 2875 feet,

thence north for approximately 195 feet,

thence east for approximately 220 feet,

thence north for approximately 50 feet,

thence east for approximately 455 feet,

thence northeast for approximately 400 feet,

thence east for approximately 1595 feet,

thence southeast for approximately 310 feet to Martin Luther King Dr,

thence northeast and east along Martin Luther King Dr to Parkshores Dr,

thence south and east along Parkshores Dr to Cottage Av,

thence south along Cottage Av to a point approximately 100 feet north of the Bloomington City Twp border,

thence east and southeast for approximately 2360 feet to the intersection of Sherman St and W. Division St,

thence east northeast for approximately 480 feet,

thence south for approximately 100 feet to W. Division St,

thence east along W. Division St to N. Lee St,

thence south along N. Lee St to W. Kelsey St,

thence east along W. Kelsey St to N. Center St,

thence north along N. Center St to the Bloomington City Twp border,

thence east along the Bloomington City / Normal Twp border to Sugar Creek,

thence southeast approximately 700 feet to a point on Fell Av approximately 50 feet north of E. Kelsey St,

thence north along Fell Av to E. Division St,

thence east along E. Division St to S. Linden St,

thence south along S. Linden St for approximately 700 feet,

thence northwest for approximately 390 feet,

thence south for approximately 1100 feet to Marion St (extended),

thence east along Marion St (extended) and continuing east along Marion St to N. State St,  
thence south along N. State St to E. Empire St,  
thence east along E. Empire St to N. Veterans Pky,  
thence south along N. Veterans Pky to E. Oakland Av,  
thence east along E. Oakland Av to S. Hershey Rd,  
thence south along S. Hershey Rd for approximately 2630 feet,  
thence east for approximately 540 feet,  
thence northeast for approximately 140 feet,  
thence east for approximately 580 feet,  
thence southeast for approximately 140 feet,  
thence east for approximately 2010 feet,  
thence south for approximately 2600 feet to Ireland Grove Rd,  
thence east along Ireland Grove Rd to N 1800 East Rd,  
thence south along N 1800 East Rd for approximately 2400 feet,  
thence west for approximately 55 feet,  
thence south for approximately 120 feet,  
thence east for approximately 50 feet,  
thence south along N 1800 East Rd for approximately 130 feet,  
thence west for approximately 50 feet,  
thence south for approximately 230 feet,  
thence east for approximately 50 feet to N 1800 East Rd,  
thence continuing south along N 1800 East Rd to Morrissey Dr,  
thence continuing south along the Old Town / Bloomington Twp border and continuing south along the  
Downs / Randolph Twp border to E 575 North Rd,  
thence west along E 575 North Rd to N 1750 East Rd,  
thence south along N 1750 East Rd to E 550 North Rd,  
thence west along E 550 North Rd to N 1625 East Rd,  
thence south along N 1625 East Rd to E 400 North Rd,  
thence west along E 400 North Rd ( the south border of Section 23, T22N, R2E (3rd principal meridian),  
thence west along the south borders of Sections 23 and 22, T22N, R2E (3rd principal meridian) to a point  
approximately 900 feet east of the southeast corner of Section 21, T22N, R2E (3rd principal meridian),  
thence north for approximately 1120 feet to E 425 North Rd,  
thence west along E 425 North Rd to N 1474 East Rd,  
thence north along N 1475 East Rd to E 450 North Rd,  
thence west along E 450 North Rd to N 1450 East Rd,  
thence north along N 1450 East Rd to E 525 North Rd,  
thence west along E 525 North Rd to N 1300 East Rd,  
thence north along N 1300 East Rd to E 700 North Rd,  
thence west along E 700 North Rd to the Funk's Grove Twp border,  
thence south along the Funk's Grove / Randolph Twp border to the Dewitt County border,  
thence west along the Dewitt / McLean County border to the Logan County border,  
thence south along the Logan / Dewitt County border and continuing south along the Logan / Macon  
County border,  
thence west along the Logan / Macon County border to the Macon / Sangamon County border,  
thence south along the Macon / Sangamon County border to the Christian County border,  
thence southwest along the Christian / Sangamon County border to Buckhart Rd,  
thence west along Buckhart Rd to Maxheimer Rd,  
thence south along Maxheimer Rd to E. IL Rt 29,

thence northwest along E. IL Rt 29 to Cardinal Hill Rd,  
thence south along Cardinal Hill Rd to the south border of Section 15, T15N, R4W (3<sup>rd</sup> principal meridian),  
thence west along the south border of Section 15, T15N, R4W (3<sup>rd</sup> principal meridian) to 4<sup>th</sup> St,  
thence west along 4<sup>th</sup> St to S. Walnut St,  
thence north along S. Walnut St to E. Main St,  
thence west along E. Main St to N. Walnut St,  
thence north along N. Walnut St to the point on N. Walnut St where it turns directly west,  
thence northeast for approximately 800 feet to Black Branch Creek,  
thence north along Black Branch Creek to a point approximately 1060 feet north of the south border of Section 3, T15N, R4W (3<sup>rd</sup> principal meridian),  
thence west for approximately 1600 feet to N. Walnut St,  
thence north along N. Walnut St to Gaule Rd,  
thence west along Gaule Rd to Wright Rd,  
thence north along Wright Rd to E. Cook St,  
thence west along E. Cook Rd to the terminus of E. Cook Rd,  
thence continuing west along the south border of Section 31, T16N, R4W (3<sup>rd</sup> principal meridian) to S. Grand Av E,  
thence west along S. Grand Av E and S. Grand Av E (extended) to I-55,  
thence north along I-55 to E. Clear Lake Av,  
thence west along E. Clear Lake Av to N. Hill St,  
thence north along N. Hill St to E. Elm St,  
thence west along E. Elm St to N. St Marys Av,  
thence south along N. St Marys Av to E. Trinity Av,  
thence west along E. Trinity Av to E. Enos Av,  
thence continuing east along E. Enos Av to N. Daniel Av,  
thence south along N. Daniel Av for approximately 50 feet,  
thence east for approximately 140 feet,  
thence south for approximately 110 feet,  
thence west for approximately 140 feet to N. Daniel Av,  
thence north for approximately 60 feet,  
thence west for approximately 150 feet to the alley between N. Daniel Av and N. Stephens Av,  
thence south for approximately 80 feet,  
thence west for approximately 165 feet,  
thence north for approximately 200 feet along N. Stephens Av to E. Enos Av,  
thence west along E. Enos Av and continuing west along E. Enos Av (extended) to the alley west of N. Wesley St,  
thence south along the alley west of N. Wesley St for approximately 340 feet,  
thence west for approximately 700 feet to Forrest Av,  
thence south along Forrest Av for approximately 500 feet,  
thence west for approximately 600 feet,  
thence south for approximately 175 feet,  
thence west for approximately 2700 feet to the Chicago and Illinois Midland rail line,  
thence north along the Chicago and Illinois Midland rail line to E. Miller St,  
thence east approximately 85 feet to N. 19<sup>th</sup> St,  
thence north along N. 19<sup>th</sup> St to the Norfolk Southern rail line,  
thence southwest along the Norfolk Southern rail line to N. Grand Av E,  
thence west along N. Grand Av E to N. 6<sup>th</sup> St,

thence north along N. 6<sup>th</sup> St to E. McClernand Av,  
thence west along E. McClernand Av to N. 5<sup>th</sup> St,  
thence south along N. 5<sup>th</sup> St to N. Grand Av E,  
thence west along N. Grand Av E to N. Walnut St,  
thence south along N. Walnut St to W. Mason St,  
thence west along W. Mason St to N. MacArthur Blvd,  
thence north along N. MacArthur Blvd for approximately 670 feet,  
thence west for approximately 1675 feet to N. Park Av,  
thence north along N. Park Av to W. Enos Av,  
thence west along W. Enos Av to N. Amos Av,  
thence north approximately 900 feet along N. Amos Av,  
thence west approximately 40 feet,  
thence south approximately 125 feet,  
thence northwest for approximately 1400 feet,  
thence west for approximately 290 feet to the Capital / Springfield Twp border,  
thence south along the Capital / Springfield Twp border for approximately 1800 feet,  
thence west for approximately 400 feet from the terminus of W. Enos Av,  
thence north for approximately 40 feet,  
thence west for approximately 160 feet,  
thence south for approximately 390 feet to W. Jefferson St,  
thence northwest along W. Jefferson St to Churchill Rd,  
thence south along Churchill Rd to Old Beardstown Rd,  
thence northwest along Old Beardstown Rd to W. Jefferson St,  
thence west along W. Jefferson St to a point approximately 275 feet west of S. Veterans Pky,  
thence south southwest for approximately 230 feet,  
thence west for approximately 350 feet,  
thence south southwest for approximately 200 feet,  
thence west for approximately 360 feet,  
thence north for approximately 575 feet to W. IL Rt 97,  
thence west along W. IL Rt 97 to the abandoned rail line,  
thence generally north along the abandoned rail line to Green Valley Rd,  
thence north along Green Valley Rd to the Springfield / Gardner Twp border,  
thence north along the Springfield / Gardner Twp border to the Sangamon River,  
thence generally north along the abandoned rail line to the Fancy Creek Twp border,  
thence east along the Fancy Creek / Springfield Twp border and continuing east along the Fancy Creek /  
Capital Twp border to the Chicago & Illinois Midland rail line,  
thence north and northwest along the Chicago & Illinois Midland rail line to Wildwood Acres Rd,  
thence south along Wildwood Acres Rd to Gabbert Rd,  
thence west along Gabbert Rd to Brown Rd (the Sangamon / Menard County border),  
thence continuing west and south, and continuing west along the Sangamon / Menard County border to  
the Cass County border,  
thence north along the Cass / Menard County border to the Mason County border,  
thence east along the Mason / Menard County border to the Logan County border,  
thence north along the Logan County border to the Tazewell County border,  
thence west and north along the Mason / Tazewell County border to the northwest corner of Sand  
Prairie Twp,  
thence east along the Sand Prairie / Cincinnati Twp border to the southeast corner of Cincinnati Twp,

thence north along the Cincinnati / Elm Grove Twp border and continuing north along the Pekin / Groveland Twp border to the Coach Rd terminus,  
thence east along the north border of Section 19, T25N, R4W (3rd principal meridian) to the northeast corner of Section 19, T25N, R4W (3rd principal meridian),  
thence north along the east border of Section 18, T25N, R4W (3rd principal meridian) to Zion Oaks Rd,  
thence north and east along Zion Oaks Rd to Cole Hollow Rd,  
thence north along Cole Hollow Rd to W. Muller Rd,  
thence east along W. Muller Rd for approximately 1260 feet,  
thence north for approximately 1300 feet to I-474,  
thence east along I-474 to Pinecrest Dr,  
thence north along Pinecrest Dr for approximately 1540 feet,  
thence west for approximately 225 feet,  
thence south for approximately 145 feet to Allen St (extended),  
thence west along Allen St (extended) and continuing west along Allen St to Maria St,  
thence north along Maria St to its terminus,  
thence continuing north northeast for approximately 1680 feet to I-74,  
thence southeast along I-74 to Fahey Hollow Dr,  
thence north along Fahey Hollow Dr to Sabrina Ln,  
thence west and northwest along Sabrina Ln and Frontage Rd to Kerfoot St,  
thence north, west and north along Kerfoot St to a point approximately 120 feet south of the Fondulac Twp border,  
thence east for approximately 1100 feet to Fahey Hollow Rd,  
thence north along Fahey Hollow Rd for approximately 50 feet,  
thence east for approximately 2350 feet to the terminus of Stoneridge Ln,  
thence south along Stoneridge Ln for approximately 30 feet,  
thence west for approximately 160 feet,  
thence south for approximately 40 feet,  
thence east for approximately 80 feet,  
thence south for approximately 140 feet to Bloomington Rd,  
thence southeast along Bloomington Rd to a point approximately 400 feet west of Woodway Ct,  
thence north for approximately 1000 feet to the Fondulac Twp Border,  
thence east along the Fondulac / Groveland Twp border to Meadows Av,  
thence southeast along Meadows Av for approximately 550 feet,  
thence northeast for approximately 440 feet,  
thence southeast for approximately 240 feet to Oakwood Av,  
thence northeast for approximately 260 feet to Joyce Ct,  
thence east for approximately 860 feet to Kenyir Av,  
thence east along Kenyir Av and continuing east along Kenvir St to its terminus,  
thence continuing east along the Fondulac / Groveland Twp border and continuing east along the Washington / Groveland Twp border, and continuing east along the Morton / Washington Twp border to the southeast corner of Section 31, T26N, R3W (3rd principal meridian),  
thence north along the east borders of Sections 31, 30 and 19, T26N, R3W (3rd principal meridian) to a point approximately 850 feet south of Centennial Dr,  
thence west for approximately 5280 feet to the Fondulac Twp border,  
thence south along the Fondulac / Washington Twp border to Washington St,  
thence southwest along Washington St to Harmony Av,  
thence north along Harmony Av to its terminus,  
thence north for approximately 135 feet,

thence west for approximately 235 feet,  
thence north for approximately 535 feet,  
thence west for approximately 1000 feet,  
thence south for approximately 625 feet,  
thence west for approximately 2095 feet,  
thence north for approximately 5735 feet to Centennial Dr,  
thence west along Centennial Dr to Caterpillar Trail,  
thence south along Caterpillar Trail to Mariners Way,  
thence west along Mariners Way and continuing west along Mariners Way (extended ) to the Tazewell  
County border,  
thence north along the Tazewell / Peoria County border to the point of beginning.
